ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on June 1, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

EXAMINER'S CONSIDERATION OF REPLY BRIEF

A Reply Brief was filed on February 26, 2009, in response to the Examiner's Answer mailed December 26, 2008.

Title 37, Code of Federal Regulations, §41.43 states:

(a)(1)... the primary examiner must acknowledge receipt and entry of the reply brief. In addition, the primary examiner may withdraw the final rejection and reopen prosecution or may furnish a supplemental examiner's answer responding to any new issue raised in the reply brief.

The Communication mailed June 1, 2009, was an improper acknowledgment of the Reply Brief, as it constitutes a Supplemental Examiner's Answer as per MPEP§ 1208, part II. A Supplemental Examiner's Answer requires a Director or designee's approval.

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

1) vacate the Communication mailed June 1, 2009;

2) generate and mail either:

a) a revised Communication properly acknowledging to the Reply Brief dated February 26, 2009, in accordance with MPEP§ 1208, part II.; OR

Application No. 10/549,570

b) issue a Supplemental Examiner's Answer with the required signature (Technology Center Director or designee), if appropriate; and

3) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
